

# MIGRATORY BIRD HIKE

Saturday, May 6, 2023, 9 AM  
Hudson Springs Park, 7095 Stow Road  
Meet in front of the restrooms

Join Ed Carroll, Friends of Hudson Parks Board Member on a hike around Hudson Springs Park to search for migratory birds. In past years we've seen many birds including Magnolia Warblers, Scarlet Tanagers, Palm Warblers and Blue-grey Gnatcatchers.

We have a limited supply of binoculars available and you'll be provided a checklist and field guide. All are welcome! Bring your camera!
